Have you ever listen a song and remember moments in your life? Well in my case yes I like much listen many songs during all my life. I liked watch program call "Dance moms". Immediately remember this program when I listened the song "Boss ladys" because the girls appear in this program dance this song and win the competence. I listen singers like Mackenzie ziegler, Jhonny Orlando, Matty B, Jacob Sartorius and Hashack sisters. When I watch the program "dance moms" I meet the girls apper in this program but in Instagram so for this reason I meet her friends and I know these are singers. For this reason I listen all that singers.

As well you know listen music is very nostalgic and more when you listen songs remember moments, I liked listen the song "Bailando solo", Immediately remember when stay in the secondary school and listen all the time this song.
